

**RIVERPOINT VILLAGE COMMUNITY ASSOCIATION
ARCHITECTURAL REVIEW APPLICATION**

In an effort to provide and protect each owner's rights and values it is **required** that any owner or groups of owners considering improvement to and/or change of their property, other than minor landscaping **must submit** an ARCHITECTURAL REVIEW APPLICATION FORM ("Application") to the Architectural Review Committee (ARC) for the planned improvement and/or change. If any property improvement/change is made that has not been approved, the ARC/Board has the right to ask the owner to remove the improvement and/or change from the property.

In order for the ARC to consider your Application all items marked with an "•" must be submitted with this Application. Failure to submit **all** the requested information will result in your Application being returned to you for completion.
